Here's how scoring works:

- At the beginning of each of the 4 Bo-Gee trials listed above each team will be given a score sheet.
- It is the responsibility of each team to submit their completed scoresheet to Bo-Gee within 72 hours after the last day of each trial.
- One qualifying score per class may be submitted per trial. I.e. whichever dog on your team did the best say in standard should submit that score in that class. Each dog contributes 50% to their teams overall scores (over the 4 trials listed above)
